President's Message

Dear Glen Isle Neighbors,

The bulkhead project is soon to begin. Our future projects include the makeover of the clubhouse, the community's shoreline erosion, as well as the Walnut Glen Path erosion issue. After all expenses from the bulkhead project are realized, we can determine when the clubhouse renovation phases can begin. The design is exciting and projected budget is realist.

Regarding Walnut Glen Path, we have met with both South River Federation representatives, as well as contractors, to determine the scope of work and probable expense for the redesign of the Walnut Glen Path. This project will qualify for matching grants and when complete, it will properly handle the substantial runoff from that area. The new concept design is very impressive.

The shoreline erosion is another "priority" issue and will take substantial time and energy to determine an acceptable design and to access available funding.

Those projects will happen, but not before our community needs some seasonal help in setting up for the summer. Tasks include clubhouse garden planting, painting rain barrels and general landscaping efforts. For the beach and piers, we will be re-decking one of the boat ramp finger piers and we will need some extra "arms and hammers". Nettle nets will need to go up soon.

All of this is required to make our beach area nice and we need your help to do it. It a great place to spend time with your friends. Please remember you are responsible for the actions of your guests while on community property. It is a small area used by a lot of people. Big parties do not fit well here. Any events near 50 people must receive board approval prior to the event.

We all need to be a little more diligent with a watchful eye. Lock your car doors. Summertime is back!!

Michael Wagener

BULKHEAD RENOVATIONS

Bulkhead renovations will begin early in May. There will be minimal closures during construction. Stay clear of all marked construction areas. Parents, please ask your children to stay away from these work areas. Thanks for your cooperation.

STICKERS/PASSES FOR BEACH ACCESS

Stickers need to be placed on the vehicles of residents of Glen Isle when parking at the beach. This is to help eliminate the use of our facilities from non-residents. We will be using the same white stickers as last year so new stickers will not be issued in 2012.

Stickers are issued for each vehicle registered to the address (copy of vehicle registration is required). Each address can also receive two guest passes. The Stickers will be numbered to identify the Member. If you are new to the community or did not obtain your Sticker in 2011, please contact Kay McIntire 410-956-3173. Please remember your covenant fees must be current to obtain your stickers.

BOATING SEASON

The 2012 Boating season has begun. The 2012 Application for Annual Dockage or Boat Ramp Access is posted on the website www.glenislestates.com. If you have any questions regarding slip rentals or ramp access, please contact Amanda at 410-956-4541.

EMAIL ADDRESSES NEEDED

All community notices are sent out by blind carbon so your email address is not open to the public. Email your request to mikedebwagener@comcast.net.

BEACH CLEAN UP DAY – MAY 5th

It's time for beach clean up to get ready for the summer activities. There's a lot to do so we need as many hands as possible. This is also a good time for the scouts to earn some community credits. We'll be starting at around 9:00 am.

Some of the things we have to do are:

- Replace boards on A Pier
- Clean up litter
- Prepare and install swim nets
- Repair swim platform
- Replace light bulbs on pier
- Replace missing slip numbers
- Finish edging the existing ramp pier and edge the new ramp pier

For those helping at the beach, lunch will be provided. Please RSVP to Amanda by calling 410-956-4541. Please plan to help your community with a few hours. Volunteers keep this community running smoothly. Please do your part.

BEACH PARTY

The Glen Isle Ladies are planning their annual beach party for July 21st starting at 12 noon at the beach. The Ladies will supply the hotdog and hamburgers. Please bring your beverages and a dish or dessert to share.

This is always a fun day to come out to meet your neighbors and enjoy the great outdoors. Be sure to bring your chair!

GLEN ISLE LADIES

Dear Neighbors,
Summertime is right around the corner! And as always, the Glen Isle Ladies are working on the some fun things to do this summer.

The last day of school means it's time for the Ice Cream Social—we can surely use some extra scoopers.

Don't be surprised if one of the Glen Isle Ladies comes knocking on your door. May is "New Member Drive". But don't wait for that knock. Come to our next meeting at Deb Wagener's house, 2718 Cedar Drive. Social time starts at 7:00 pm with the meeting starting at 7:30 pm. We'll be discussing the upcoming events and reviewing past events. It's a good opportunity to meet other women in the neighborhood and just have a night out. Call any one of the officers listed below for more information.

If you can't make the meeting, be sure to put the Beach Party on your calendar. It is a family event that brings everyone to the beach. Hope to see you there.
